ROSE MARY COLLEGE OF ARTS & SCIENCE

Bachelor Degree

My Projects

► WASTE SEGREGATION PROJECT

- An IoT-based smart system that automatically detects and separates waste into wet, dry and metal categories for efficient waste management.

► MINNU'S SWEETSHOP WEBSITE

- Designed and developed a responsive website with a user-friendly interface to showcase products and enhance online presence.

► AI STORYFORGE: AUTOMATED VIDEO GENERATION ENGINE

- Developed an AI-based web application that generates storytelling videos from text by integrating story generation, image creation, and audio narration.
